ADMINISTRATIVE ORDER 99-6  
ORDER TO CONDUCT SECURITY SCREENING/SEARCHES

Effective Monday, August 30, 1999, it is hereby ordered that all persons entering the 18th Judicial District Court building, Westland, Michigan, shall be subject to search by court security staff for the purpose of keeping weapons, explosives, and restricted items (see attached list) from entering the facility. In addition to a search of the person, all packages, briefcases, purses, suitcases, bags or other similar objects shall also be searched by court security personnel.

The 18th District Court shall post signs outside the building and immediately prior to the screening station announcing that "all persons and their parcels entering the building and courtrooms will be searched for weapons and other restricted items as a condition of entry. Entry into the building will be deemed to imply consent to being searched."

Any individual activating a metal detector or magnetometer will be allowed to leave the dwelling without being searched or if they desire to enter the building to submit to a further search of their person and parcels. Anyone refusing to submit to being searched shall be denied access to the building.

Respectfully submitted this 27TH day of AUGUST 1999.
